

Membrane Autopsy Indicative Pricing

Standard Price Schedule (updated: 1 March 2016)

Please note these prices are to be used as a guide only and a formal quote needs to be provided by UCMST.

Membrane Autopsy	Cost*
Internal/External Inspection	\$ 400.00
SEM/EDS	\$ 730.00
Fujiwara	\$ 200.00
Loss-on-Ignition	\$ 265.00
ICP-AES & TOC	\$ 240.00
Alternative/Advanced Methods	
AFM	\$ 730.00
X-ray Diffraction	\$ 265.00
FTIR	\$ 200.00
Tensile Testing	\$ 250.00
Additional Hourly Rate	
Hourly Rate for additional SEM Beam time (SEM/AFM)	\$ 265.00
Report Writing	\$ 200.00
Administration	\$ 135.00
Standard Packages	
Standard Autopsy Analysis Set	
(One Element) Std. Autopsy - includes Internal/External Inspection, SEM/EDS, Fujiwara, LOI, ICP + 8hr Report Writing + 2 hour Admin	\$ 4,000.00
(Two Elements) Std. Autopsy - includes Internal/External Inspection, SEM/EDS, Fujiwara, LOI, ICP + 10hr Report Writing + 2 hour Admin	\$ 6,500.00
Usually membrane Autopsies include either 1 or 2 elements. If someone requests to complete more elements at one time, additional hours for admin and reporting should be considered. Reducing the costs of some of the other tests such as fujiwara and inspections should also be consider for testing more than 4 elements at one time.	

excl. GST
